 Dear Sir

Throwing your
 appreciation of valuable
 works of art I wish to call
 your attention if you please
 to the fact that a lady of
 an old Virginia family, in this
 city desires to sell an
 admirable picture (oil painting)
 by Robert Fully of Richmond
 Va) of the Great John Marshall
 Chief Justice of the United
 States. It is an original and
 was painted more than
 fifty years since. It is on
 cabinet size about 20 x
 23 inches and a valuable piece

The lady is a Mrs Barboer
now in reduced circum-
stances who can not
afford to retain the prop-
erty she so highly values.

The picture is valued
highly by the best artists
now in Eng. Mr. A. J. Conant
and I refer you to him if
you will entertain the
proposition to make an
offer for the painting. Its
age and being an original
& well preserved, and perhaps
there being few if any other
originals or
copies all should make it
valuable to gentlemen
of your talents and tastes.

Yours Respectfully
Wm Cullen

Dear Sir

My Brother, Ar

Mr A Wilson has been compelled to leave this City for Denver Col on acct of his health, he will likely remain there permanently.

Upon his departure he authorized me to take charge of our Brother's Painting of "Woman's Devotion" now under your care, as he is so far away he has desired me to write and ask you how the Picture is pleasing and what the prospects are for its sale. The time (4 Months) having elapsed some time ago, that your sales agent of Paintings being exhibited, we are pleased to infer that the Picture is somewhat satisfactory.

We are anxious to sell

it as our pecuniary affairs are such that
we would be glad to accept of any
reasonable or moderate offer.

Trusting that you
will favor me with an early reply

I am very respectfully yours

My dear Sir

allow me to thank
you very much for the
valuable and interesting
collection of photographs which
I receive from you a
few days since.
I shall be most happy
to serve you in any way
you may desire.

It will be a great pleasure
to me if the statue of Thomson
will continue to interest you.
Please remember me to Mr.
McLinn when you see him.

Very truly Yours

Dear Dr. McLeod.

It is with much pleasure that I can inform you that the statue of Angelo is completed in Marble & that the Diirer is well under way towards the same end - please inform Mr Concise of the fact and let me know whether I shall send the Angelo singly at once, or wait and send both together - I hoped by New Year to hear something about the other two being placed in position but the letter

has not yet arrived.

Will you be kind enough
to receive a colossal
Bust of Washington for
a short term of time
at the gallery. I made
it under Mr Bancrofts
Ministry in Berlin in
1842 and the Bust gained
my admission for me
into the Society of Arts
there. I used the best &
most reliable authorities
for my basis and intended
the work as a contribution
to the Centennial -
unfortunately it never
got ^{out} of the Custom house
& I have been paying

Storage on it ever since.
My object now is to have
the Secretary of State Mr.
Evarts to see it - he has
been appointed & under-
stands a Committee of one
by last Congress to con-
sult for a suitable
monument to mark the
Birth place of Washing-
ton in Westmoreland
County Va. \$3000.00 has
been appropriated for the pur-
pose - thus I have been
informed. I think that

This Bust finely executed
in Marble upon a hand-
some Marble Renaissance
base with suitable

inscriptions would be a
noble monument &
I could make it entire
a place it at his com-
mand for the amount
appropriated. I do not
know exactly how to reach
Mr Swarts on the subject
but I will write to Miss
Welling on the subject
as she is a good friend
and may be she will
give me some idea - if
you my dear Sir are
not able to do so - If
you can however con-
sistently advise and help
me in this matter I will
be infinitely obliged

to you. As a Virginian
I feel a  shadow of
hope that by some
chance my native State
may be the resting place
of some of my earnest
labour.

Please give my kind
regards to Mr. Conway
Mr. Hyde and let
me say here that the
letter my brother wrote
about the Custer Mon-
ument, was done with-
out my knowledge, &
I regret very much
that he did so as I
am aware how impos-
sible it is for Mr. Co-

can to interest himself
in any such Congressio-
al matter - please say
this much to Mr Hyde
from me.

hoping to hear from
you as soon as conve-
nient & that you will
be kind enough to
receive the Bust, I
have the honor to
remain most sincerely

Yours

New York, Feb. 13..... 1880

Dear Sir.

In the interests of a rather important work now under my hands, I beg to ask you a couple of questions relative to your collection in the Corcoran Gallery.

1. Is the Venus Victrix of Thorvaldsen (no 3 in the Side Gallery, Modern) of marble or of plaster? Although the Catalogue says "marble", I cannot be sure whether it is intended to express the material of the Specimen in your Museum, or that of the original work.

2. Do the enclosed proofs, or either of them, represent the watercolors by Barye, nos. 93 and 94 of your catalogue? One of them, to my recollection, corresponds with 94, "sleeping lioness".

Your answer will very much oblige
Yours respectfully
Edw. Strahan
